NOTICE OF VIRTUAL MEETINGS

As a direct result of the Coronavirus Pandemic, the Government has introduced new legislation enabling all local authority meetings before held 7 May 2021 to be held remotely.

The regulations aim to give local authorities greater flexibility to redeploy their resources to focus on meeting the many new challenges they face in responding to the pandemic whilst maintaining critical front-line services. The regulations on meetings will enable essential decision-making to continue whilst upholding democratic principles and enabling all to comply with the public health guidance.

Until further notice, all meetings of Stanford Rivers Parish Council will be held remotely, using virtual meeting software.

The public and press are able to join these meetings, and can do so by:

- a) Contacting the Parish Clerk no later than 4 hours prior to any meeting to obtain a link to the meeting; or
- b) By visiting the Parish Council website at www.stanforddrivers-pc.gov.uk to obtain the link to the meeting, which will be published no later than 3 days before the meeting.

Meeting agendas and minutes will also be available on the Parish Councils website within the statutory timescales.
